Ways to Support Peer Interactions at Home, at the Park and at Recess: A Focus on Relationships

Presented by

Rosemary White, OTR/L

Pediatric Occupational and Physical Therapy Services

Monday, June 10th, 2019

7:00 pm - 8:30 pm

Over the past 20 summers, Rosemary White and her staff have supported children with autism and other challenges in relating and communicating in DIR®/Floortime Summer Camps. This presentation will provide you with some ways to support children to have successful interactions with peers in the back yard, at the park and also at recess.

Held at The Arc office | 2500 Hewitt Ave. Ste. 300 Everett, WA 98201

All parents, caregivers, and professionals welcome!

RSVP appreciated, but not required.

No child care provided.
