June 16, 2021

Dear Parents,

As we move forward with our 2021 DIR Floortime Summer Camp, we had reached out to many Schools and School Districts and came to many barriers due to limitations beyond our control.

We now have a modified plan which we feel it is best way to provide a social opportunity for your children in a supported environment with skilled "Floortime Players."

We have decided to do a series of smaller-scale camps at our office in our large downstairs treatment space.

- Camp will be for 6 campers, with 6 "Floortime Players" per group, and a lead therapist for 2 hours per day.
- Each Summer Camp Session will be for 2 weeks:
 - Session 1 - July 12 to 23
 - Session 2 - July 26 to August 6.
- Each day we will have 3 groups, so we can accommodate as many campers as possible!

The schedule for each day is as follows:

- 8:00am to 9:00am: Rosemary will provide "Reflective Supervision" for Floortime Players as we review videos from the previous day's camp to continue to provide support for your child in their interaction with peers.
- Group 1 – 9:00am to 11:00am
- Group 2 – 11:30am to 1:30pm
- Group 3 – 2:30 pm to 4:30pm

Modifications that we will bring to camp will include:

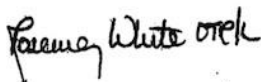

- The reduced number of campers and thus a reduced number of Floortime Players for the space.
- We will require both campers and players to wear masks and comply with all Covid restrictions.
- Unfortunately, we will be unable to have the inflatable pools and hoses out for play but will have water balloons and possibly some other modified water play.
- We will have toys that can be cleaned during sessions and interactive play will be monitored.
- We plan to focus on opportunities for physical play inside the room and we will use the outside area at the back of the clinic.
- We will bring in the houses from previous camps, slides and climbers.

I do hope that your child will join us for camp this year, as it is a wonderful time for us all to embrace this opportunity for social interaction with peers. The one-to-one support in interactions with peers that we bring to camp is much needed for us all, after the past year of Covid and remote learning.

Please fill out the separately attached summer camp registration, and send it to Sean at pedptot2@comcast.net to register for our 2021 Summer Camp, be sure to fill out what dates and time of the day that would work best for you in order of your preference. Summer Camp registrations are first come, first served, so sign up early to secure your spot! The Fee is \$1175 for the two-week camp.

Myself, Jeannette, Kris, and the players, are so looking forward to being back again and having fun with all of our campers.

Warm regards,

Rosemary White, OTR/L
